Brief Description

We are looking for a dedicated and passionate Cree Language (Y Dialect) Instructor to join our team. The ideal candidate will have a strong command of the Cree language, as well as a deep understanding of the culture and traditions associated with it. As the Cree Language Instructor, you will be responsible for developing and implementing lesson plans using the Standard Roman Orthography writing system, incorporating the syllabics system, delivering engaging and interactive classes, and assessing student progress. You will work with students of various ages and proficiency levels, helping them to achieve their language learning goals. The role requires excellent communication skills, patience, and the ability to adapt teaching methods to meet the needs of individual learners. Additionally, you will provide feedback and support to students, helping them to build confidence and improve their language skills. This is a rewarding opportunity for someone who is passionate about the Cree language and education, and who enjoys making a positive impact.

Key Responsibilities

- Develop and implement existing lesson plans.
- Deliver engaging and interactive language classes.
- Assess and monitor student progress.
- Provide feedback and support to students.
- Adapt teaching methods to meet the needs of individual learners.
- Incorporate technology into lessons to enhance learning.
- Create a positive and inclusive learning environment.
- Encourage student participation and engagement.

Beaver Lake Cree Nation-Health Services Employment Opportunity

- Help organize and participate in cultural activities related to the language.
- Maintain accurate records of student attendance and performance.
- Collaborate with Health Services staff.

Qualifications & Requirements

- Fluency in the Cree language (Y dialect).
- Teaching certification or relevant teaching experience.
- Strong communication and interpersonal skills.
- Ability to create engaging and interactive lesson plans.
- Patience and adaptability in teaching methods.
- Proficiency in using technology for educational purposes.
- Strong organizational and time management skills.
- Ability to work with students of various ages and proficiency levels.
- Cultural awareness and sensitivity.
- Ability to work independently and as part of a team.
- Positive attitude and enthusiasm for teaching.
- Knowledge of additional languages is an advantage.
- Minimum 2 years' experience teaching the Cree Language.
- Valid Class 5 Driver's License. Driving in all weather conditions required.
- Computer skills with Windows operating system including Outlook and MS Teams.
- Criminal Record check with vulnerable sector
- Child Welfare Intervention check
