Hello Beaver Lake Cree Nation Members,

With the end of the fiscal year upon us, I will be releasing an annual report this month in place of my regular monthly report.

Please bear with me as I compile the necessary information — it will be released in the coming week.

I am committed to transparency and accountability in serving our members, and I look forward to sharing this year's progress and updates with you.

Thank you for your patience and continued support.

Warm regards,

Micheal Lameman,
