

DO NOT CONSUME WATER ADVISORY

***** CANCELLATION *****

Public Water Supply

Beaver Lake Public Water Supply

Community: Beaver Lake

Date: June 2 2026

Address: Beaver Lake Cree Nation, PO Box 960, Lac La Biche, AB T0A 2C0

Attention: Chief and Council

Please be advised that the **Do Not Consume Water Advisory** for **Beaver Lake Public Water Supply** has **been cancelled**. Appropriate actions have been taken and follow-up chemical water results have been satisfactory.

Please run hot and cold water faucets for at least five minutes before you use them.

The water is now safe for purposes such as drinking, making ice, preparing baby formula, juice or other mixes, brushing teeth, food preparation, including washing fruits and vegetables.

Please notify community members that the Do Not Consume Advisory has been **cancelled** and replace previous Do Not Consume notices with this notice.

Sincerely,

(for) Medical Officer of Health

cc: Health Director
